

# SCALISCRO

A PRIVATE WORLD, SHAPED BY LAND, SEA AND TIME

## A PLACE APART

---

SCALISCRO IS A 10,000-ACRE, OFF-GRID,  
EXCLUSIVE-USE HEBRIDEAN ESTATE.

It offers rare freedom to explore, experience and gather within a private world – self-sufficient, unspoiled, and shaped around you.

The lodge features eight beautifully curated bedrooms, hosting up to 16 guests, with additional staff accommodation available if required. Each stay is bespoke, tailored to your pace and interests, with an experienced in-house team providing seamless, attentive service throughout.

## THE SETTING

---

ON THE WEST COAST OF LEWIS,  
BETWEEN LAND AND SEA.

Remote yet entirely self-contained, the estate is surrounded by land and water, with the Atlantic close at hand. It is a landscape that feels expansive, elemental and quietly powerful – shaped as much by light and weather as by time itself.

While the estate feels wonderfully secluded, SCALISCRO is easily accessible. It can be reached by car, boat, private jet, plane or helicopter and is only a 40-minute drive from Stornoway airport.

## A WORLD WITHIN

INSIDE, SCALISCRO REVEALS ITSELF AS  
A PLACE OF DEPTH AND EASE.

Light-filled rooms are shaped by natural textures, considered craftsmanship and an instinctive sense of comfort. Art, furniture and materials are chosen not to impress, but to invite – each space layered with character and a feeling of lived-in warmth.

Across the lodge, rooms flow easily from gathering to retreat. There are places to linger, to share food and stories, and to slip away for quiet moments of calm. Grounded, welcoming and richly detailed, SCALISCRO is a home designed to be enjoyed together – and to feel entirely your own.

## GATHERING & HOSTING

---

FOR COMING TOGETHER.

With generous communal spaces inside and out, the estate offers a rare setting for hosting that feels both effortless and deeply personal. Entirely private and entirely yours, SCALISCRO allows every gathering to unfold with ease, discretion and authenticity.

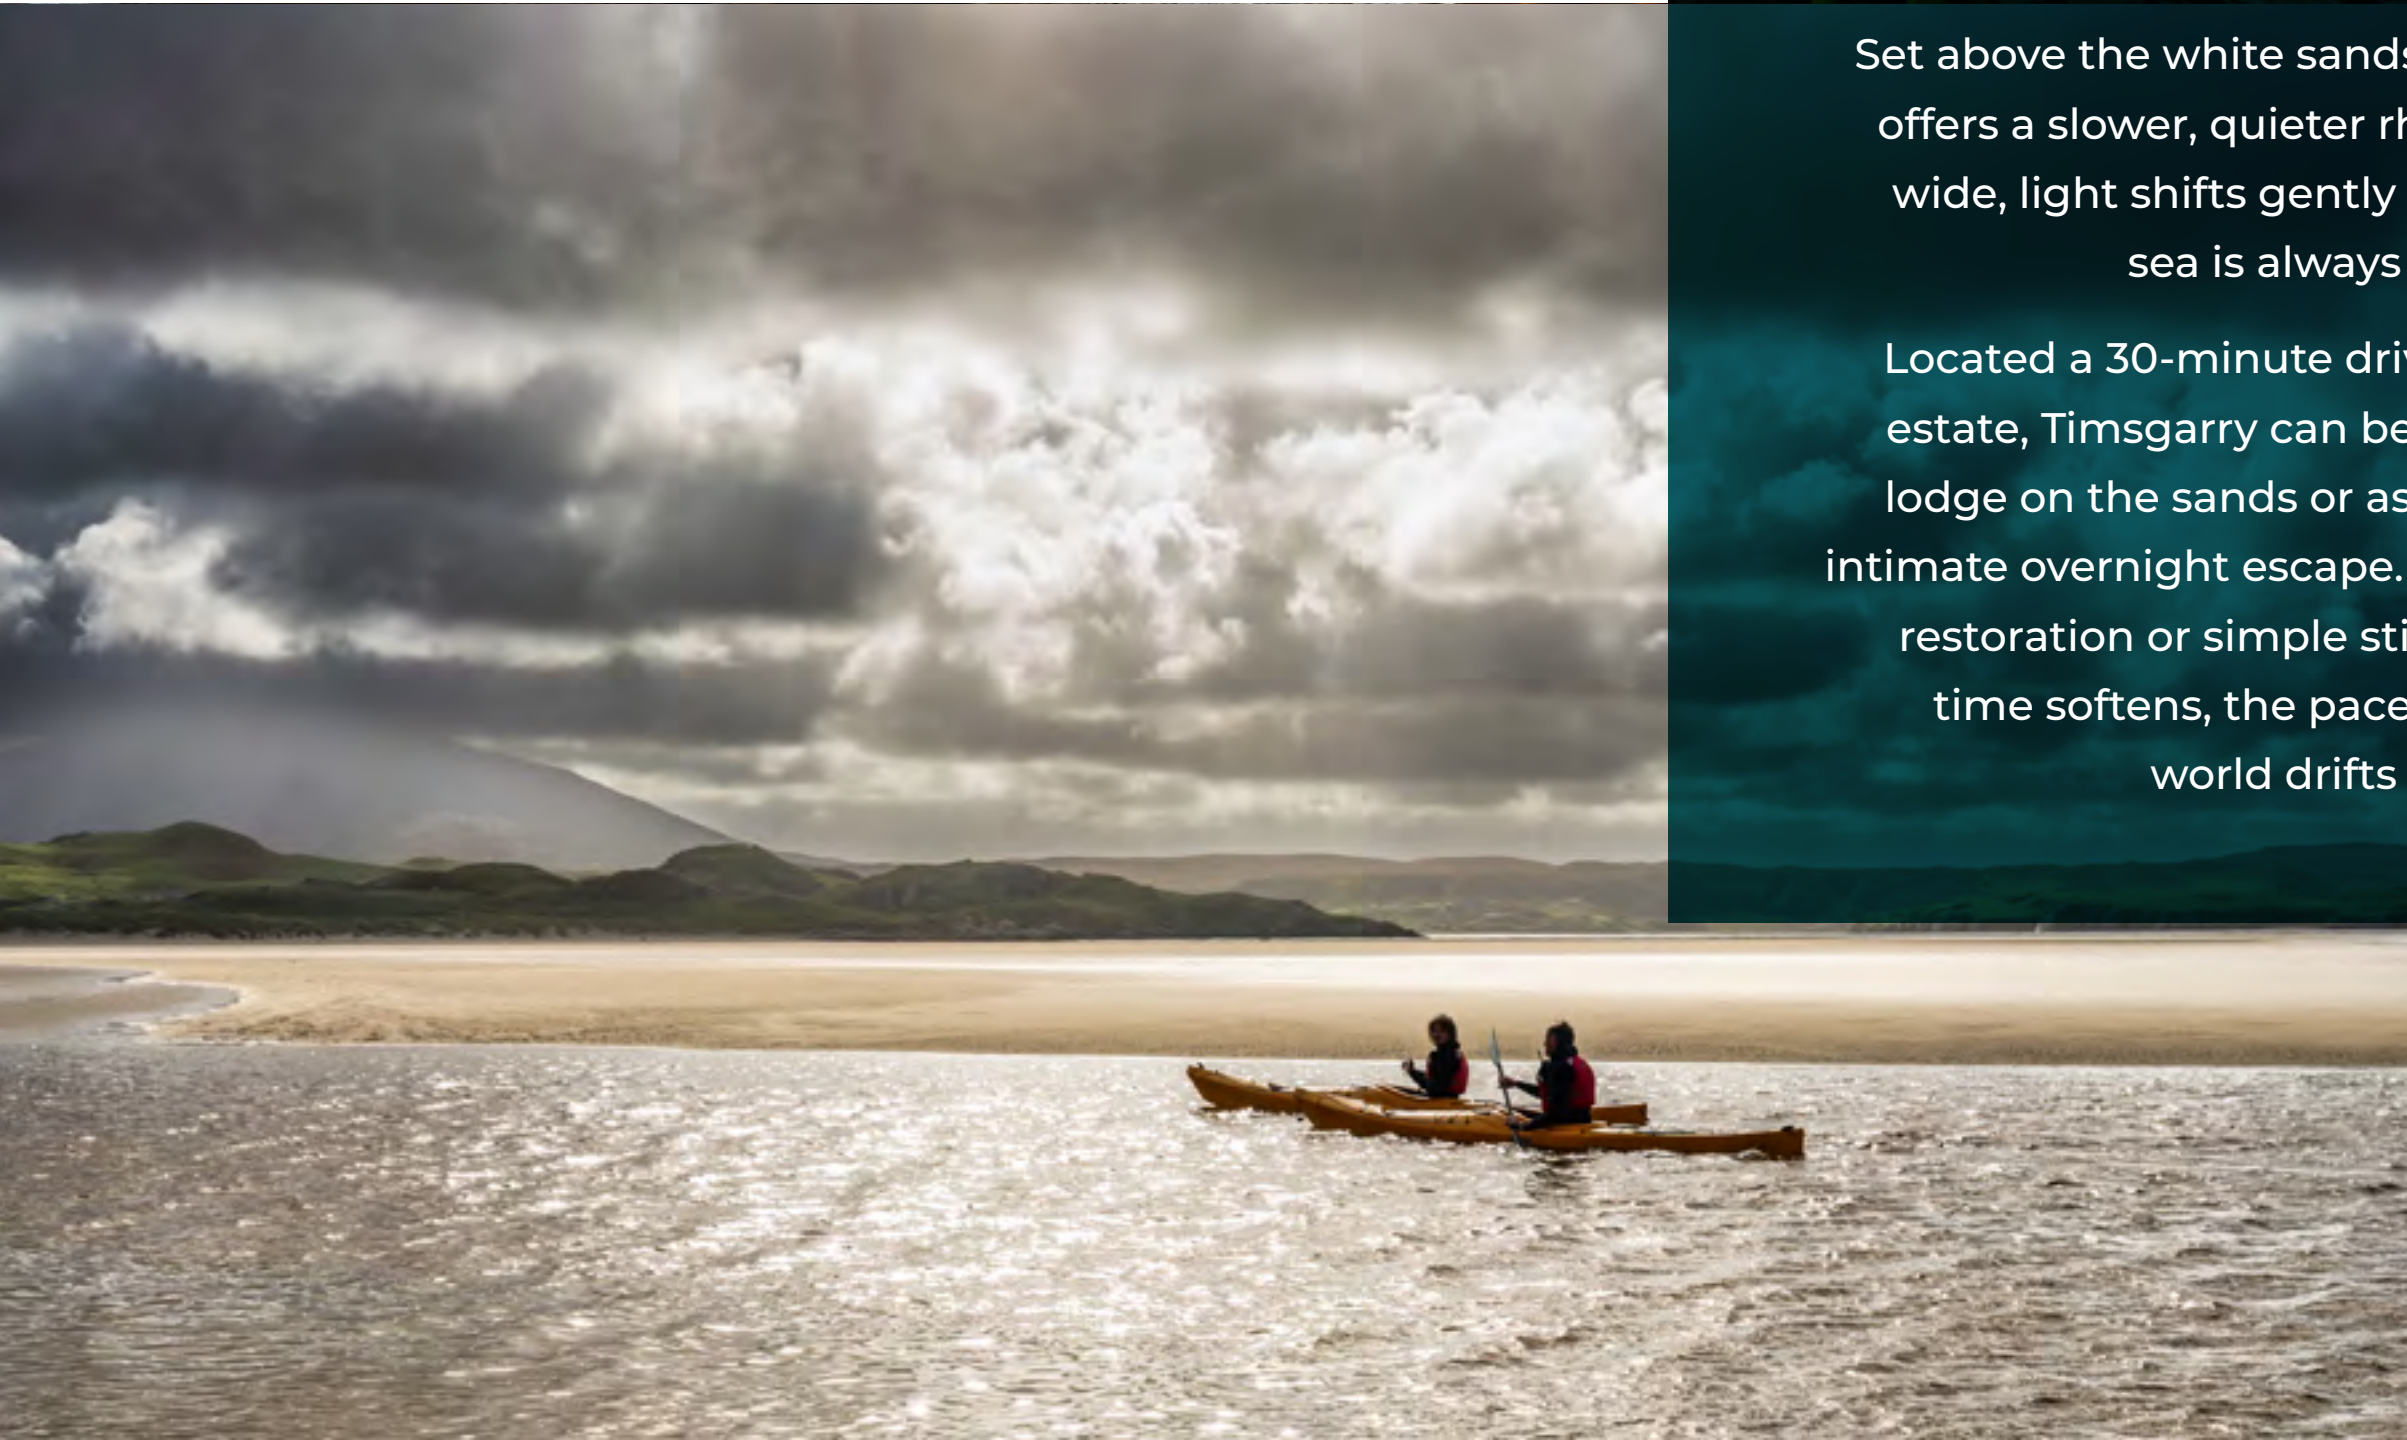

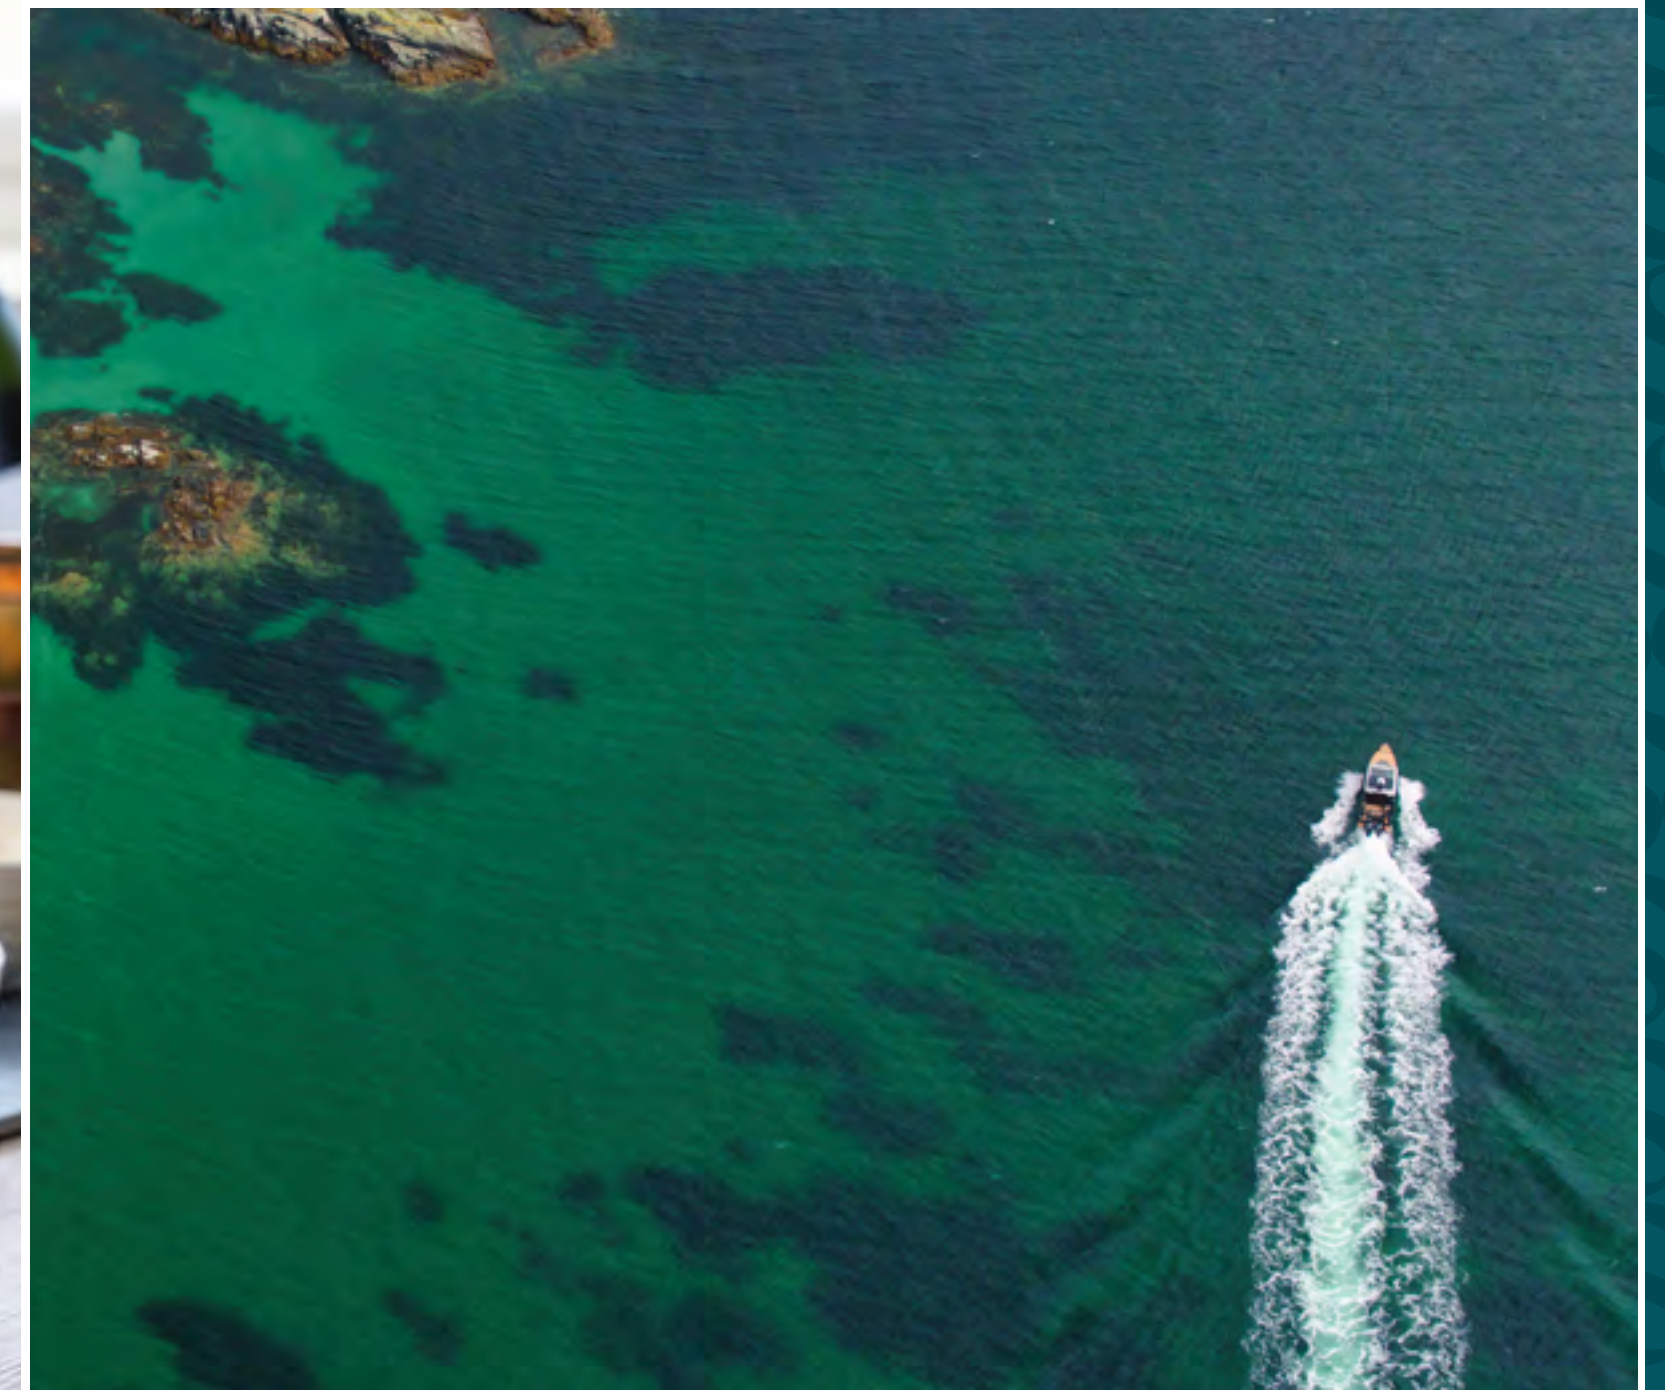

## TIMSGARRY COTTAGE

A RETREAT WITHIN THE ESTATE

Set above the white sands of Uig, Timsgarry Cottage offers a slower, quieter rhythm. Open skies stretch wide, light shifts gently through the day, and the sea is always close at hand.

Located a 30-minute drive away from SCALISCRO estate, Timsgarry can be enjoyed as a relaxed day lodge on the sands or as a private bolt-hole for an intimate overnight escape. Whether used for creativity, restoration or simple stillness, it is a place where time softens, the pace eases, and the outside world drifts quietly away.
